It’s time to abandon our old ideas about breast cancer. It’s time to get serious about knowing how to end breast cancer. Yes. Knowing how to end breast cancer. That means we have to change the conversation and our behavior about the way we approach breast cancer.

We’ve been invigorated and inspired by the positive response we’ve received from public officials like you who tell us they support Breast Cancer Deadline 2020®. Join the voices of all those who are saying, “I stand behind Breast Cancer Deadline 2020® and knowing how to end breast cancer by January 1, 2020.”
